Re: Priority Records, LLC
Case No.: 07-cv8418

Dear Judge Crotty:

On December 1, 2007 I received a copy of a subpoena in the above referenced matter. Time Warner informed me by cover letter dated November 29, 2007 that I needed to immediately object to the subpoena for the release of my personal and confidential information.

Please be advised that I strenuously object to the information requested in the subpoena. There is no basis for this information to be released. I do not use the computer and I do not know what this is all about.

In addition the subpoena was due on November 12, 2007 yet I was not given an opportunity to object or otherwise move with respect to the subpoena until the cover letter from Time Warner dated November 29, 2007.

If there is anything else required, please advise me of same.

Thank you for your kind consideration.

Very Truly Yours,

Foster Woodcock
